description**

**SWASTHYA SWARAJ SOCIETY**

A People's Movement for Swaraj in Health

## ABOUT

Swasthya Swaraj is a secular, not-for-profit organization working in the tribal-dominated Kalahandi district in Odisha, India.

We offer opportunities for students to explore and experience working in tribal areas, understanding the scopes and challenges involved in the grassroots

## WHAT YOU CAN EXPECT ?

- The program will be tailored to the time and interest of the participants
- A learning opportunity from Clinical and community exposure, Community-based projects (Adolescent girls Empowerment, School Programme, Creche)
- Mentorship from Experts
- Discussions and reflections
- Trekking/hiking opportunities, star gazing, swimming, experiencing tribal culture, values, and hospitality
- Certificates will be issued to each student at the end of the program
- Food would be provided at a subsidized rate
- Accommodation would be provided by us

## WHO CAN APPLY?

Students of all disciplines from National and International Universities/ Colleges.

Students can apply individually or in small groups for the STEP

Foreign students looking for Tribal Health postings may apply to the program stating your purpose to do STEP, or can contact us directly.
